

Estimate Checklist

Lay out the specifics of your project to make sure that everyone is on the same page.

Residential	What We Need
Square Footage	<i>Total space of a wall:</i> <i>Length x Width = Sq Ft.</i> <i>Make sure to account for height or depth if needed.</i> <i>Blueprints or drawings can also be submitted.</i>
Current Status Photo & Inspiration Photo	<i>A Pinterest picture, google photo or otherwise can help us to narrow down the look you want.</i> <i>The status photo lets us know what the space looks like and if the space is ready or needs preparation work.</i>
Email Address	<i>All communication should be via email to ensure all details have a record.</i>
Project Address	<i>If your project is outside of our radius, we will still complete your project, but a fee applies.</i>
Target Date of Completion	<i>How soon do you need this done?</i>

If an in-person walkthrough is needed, we are happy to schedule one for you. Let us know at: Office@plastercolorado.com.
